Foreign Learner Enrollment

Additional Information – Sheet 1003

All foreign students are required to read the information provided below and sign in the student acceptance letter, as confirmation to have read and understood.

1. ACCOMMODATION

Students are required to provide proof of accommodation before they enter Mauritius. This can be arranged by the students themselves or use Sagittarius' student welfare office for this purpose. Depending on the type and size of accommodation required the student will have to pay in advance the rental deposit money.

2. STUDENTS WORKING CONDITION

Once the 'full visa' is issued, students are officially allowed to work for a maximum of twenty (20) hours per week. It is important to note that Sagittarius **does not** provide any work to students; and therefore, it is entirely up to the student to look for a job should they require one.

3. ARRIVAL IN MAURITIUS

Sagittarius offers a range of services to students arriving to Mauritius. The composite sum of $ 300 is chargeable for the following services;

1. Airport pick up
2. Accommodation arrangement

4. Medical tests as required by the Passport and Immigration Office
5. Assisting students in all matters for the first week including opening of bank account, introduction to travelling etc

4. FALSIFICATION OF INFORMATION PROVIDED
